

7 B: And we showed you a photograph of a van, is that right?

8 A: Yes.

9 B: And it appears to all of us to be some type of Dodge van, right...a multi passenger
10 van and you told us that there was a van like that on the lot at some time, right at
11 Markham Automotive?

12 A: Yes.

13 B: Okay? Tell me about that van and some kind of transaction involving that van?

14 A: Uh, when I took over the car lot, previous to me the guy running it was Tim
15 Higley and when I took over, I took over his inventory and everything and that
16 van was in inventory...we had had it a long time and finally had an agreement to
17 have Cab Tice run it through his dealership with a few other vehicles at Gulf
18 States Auto Auction and he did and we sold it and to my knowledge it was to a
19 group of Mexicans that he had knew or done business with before or something.
