- 1 T. To give who closure?
- 2 A. Tricia's mom.
- 3 T. Did you tell Tricia that? That you paid for her safety?
- 4 A. No, she might have heard it when she was, she was right there on the phone with
5 her mom, when I was on the phone with her mom.
- 6 T. Well, I, what I'm saying is, I'm like what he just said, that's, I don't, that's not
7 really, that don't sound right, you know? I would, I would have a tendency and I
8 want to believe you more than anything in this world, especially after what you
9 went through last night.
- 10 Q. Exactly.
- 11 T. Especially for last night, but I would be more apt to believe that your called your
12 buddy in Colorado to ask if there's a hit on you, that you, cause you done
13 something. Your dad's never been to Colorado that you know of, so why would a
14 hit be coming to Florida for him?
- 15 Q. The same reason why a hit would be coming for me. I haven't done anything.
- 16 T. I'm asking you to tell me that. What you dealt with, you've been dealing with
17 some people and you've been running with some people and you probably have
18 been doing a little bit extra stuff you know that you shouldn't be doing. I'm not
19 the dope cop, bro, I don't give a shit and I'm not here, we can say this three or
20 four more times. We're not here to hurt you. My main mission and I told you last
21 night is to find out who done this to your mom and dad.

- 1 A. Yes sir.
- 2 T. And put, and done this to your family.
- 3 A. Yes sir.
- 4 T. That's my main mission, but we cannot do our job right and the more that we sit
5 here and ask you these questions and you kind of walk around, walk around the
6 answer, that doesn't, what do you think that put, tell us? That you're holding
7 something back on us. Maybe you know something, maybe you, maybe you,
8 maybe you suspect someone, not necessarily you know, maybe you suspect who
9 did, who could have done this and you're just afraid to come out and say it. You,
10 and I (inaudible) you're to that point where you want to tell us.
- 11 Q. I believe that too.
- 12 T. You want to tell us but something's here saying I, I can't, but you want to and in
13 order for us to expedite things, you gonna have to, you gonna have to step up to
14 the plate. And I'm saying when we, when we get all the evidence gathered and
15 we get all this information put together and we get ready to go before and if, if
16 your name comes up, if this was, if you had some knowledge, it's not gonna be
17 nice, it's not gonna be pretty. Please, I'm asking you, please.
- 18 Q. And that's what we're doing here tonight Justin.
- 19 T. We're trying to prevent that.
- 20 Q. And we cannot help you, okay, if you get caught up in something bigger than you,
21 right now's the time to tell us so we can help you out.
